Re: Customer Specific Requirements

To Whom It May Concern:

This letter is to communicate the requirement for including the Elements of Manufacturing Basics as part of your normally scheduled internal audits (ISO9000,TS16949).

All suppliers of Yazaki North America Inc. shall perform a self assessment of their Quality Management System to ensure it is compliance with the “Elements of Manufacturing Basics”. This assessment is mandatory, beginning with the first internal audit occurring on or after January 7<sup>th</sup>, 2008.

Records of this assessment must be available for review upon request, and will also be verified during normally scheduled supplier audits.

The “Elements of Manufacturing Basics” can be found on the Chrysler Global Supplier Portal via the “Quality Management Systems Information” page, or from Yazaki North America Inc. Purchasing.

Sincerely,

Jim Janeczko  
Sr. Manager
